

Achievements

Awards

Globe Awards Technology

- IT Professional of the Year - Bronze - [View Credential](#)
- Professional of the Year | IT Software - Bronze - [View Credential](#)
- Customer Experience Champion - Gold - [View Credential](#)
- Achievement in Multichannel Support - Gold - [View Credential](#)
- Customer Service Engagement Individual of the Year - Gold - [View Credential](#)
- Creative Mind for Customer Excellence - Gold - [View Credential](#)
- Lifetime Achievement in Customer Excellence - Bronze - [View Credential](#)

Globe Golden Bridge Awards

- Information Technology Engineer of the Year - Bronze - [View Credential](#)
- Information Technology Professional of the Year - Gold - [View Credential](#)

Titan Awards

- Information Technology - Technical Professional of the Year - Gold - [View Certificate](#)
 - Business Technology Solutions - Technology Professional of the Year - Silver - [View Certificate](#)
 - Business Technology Solutions - Content Management Solution - Silver - [View Certificate](#)
-

Membership

Fellow

- Soft Computing Research Society
- IETE
- BCS

Senior Member

- IEEE
-

Published Material

- [Best paper announced at IEEE International Conference](#)
 - [Outstanding contributions recognized at CCWC 2026](#)
 - [Four research teams win best paper awards at IEEE WCONF 2025](#)
 - [IEEE I2ITCON 2025 recognizes cutting-edge research](#)
-

Judge

Awards

- Globee Awards Business - [View Recognition](#)
- Globee Awards Customer Excellence - [View Recognition](#)
- Globee Awards Technology - [View Recognition](#)

Hackathons

- Judge Devpost - 4 hackathons
- Judge at Hackharvard at Harvard University, Cambridge - 2025

Peer Review

- 2 Q1 Journal articles (Editors of Method X)
- 2 Google Scholar article journals (IJGIS)
- 15 Conference papers including ICCTWC, INCSST, and Emerging in Computing Technologies

Session Chair

- International Conference of Emerging Technology

Book Chapters Review

- Manning Publishers - 2 Books: [Dr. Harvey and the Eight Fallacies](#) and [Grokking AI Applications](#)

Mentor

- ADP Top Mentor
 - Hackharvard Mentor 2024
-

Authorship

Journals – Primary Author

- International Journal of Communication Networks and Information Security (IJCNIS): [View Article](#)

Journals – Co-Author

- TechRxiv / Authorea: [View Publication](#)
- Sch J App Med Sci (SAS Publishers): [View PDF](#)
- Sch J Eng Tech (SAS Publishers): [View PDF](#)

IEEE Conferences – Primary Author

- [Enhancing Smart City Infrastructures With AI, Data Analytics, and Digital Marketing Technologies](#) – 2025 ICBATS (1 citation)
- [Predictive Clickstream Analytics for Real-Time Personalization in Content Management Systems](#) – 2025 ICOCT (9 citations)

IEEE Conferences – Co-Author

- [Leveraging Multiple LLM Evaluators for Scalable and Fair Language Model Assessments](#) – 2025 ICMCTC (7 citations)
- [Scalable Cloud Architectures for Efficient Processing of Multi-Structured Big Data](#) – 2025 GINOTECH (4 citations)
- [Federated Learning for Privacy-Preserving Big Data Analytics in Cloud Environments](#) – 2025 GINOTECH (3 citations)
- [A Framework for Intelligent Cloud Systems: Enabling Secure, Policy-Driven, and Sustainable AI at Scale](#) – 2025 I2ITCON (1 citation)
- [AI for Code: Reinforcement-Learned Compiler Optimizations for HPC Workflows](#) – 2025 WCONF (1 citation)
- [Privacy-Preserving Generative AI \(GAI\): Exploring GAI Model Variants to Create Synthetic Data Without Compromising Privacy](#) – 2025 AIST (0 citations)

Book Author

[View Book on Amazon](#)

Speaker

- 2026 International Conference on Smart Futuristic Technology
- 2026 International Conference on Computing Theory and Wireless Communications
